**Subject:** Haystack No. 1 AUM - TCRA Implementation Status Update Biweekly Call

Good morning,

I see that our next Haystack biweekly call is on January 7 (we have cancelled the one on December 24). Due to the fact that we will be performing the site walk on Tuesday, January 7<sup>th</sup>, I'd like to move the call up a few days to January 2<sup>nd</sup> at 1 pm PT if possible. That way we can ensure everyone travelling to the site visit has the details and can provide an update on the survey/homesite application/relocation package hopefully.

Please let me know if the 2<sup>nd</sup> at 1 pm PT will work. If someone from each agency could reply stating whether the majority of their group (or at least key players) could attend, that would be great.

Thanks

Ali
